TO

CHARLES E. NORONHA, ESQ., M.A.,
Secretary to Government,
Development Department,
Food Supplies, BANGALORE.

SIR,

***Subject*:-** Payment of Overtime Allowance to the Staff working at Railway Goods Shed.

Adverting to G.O.No.S.D.2865-67/A5-45-6, dated 10-11-45, sanctioning the payment of overtime allowance to the Transport Assistant Food Inspectors, Bill Clerks and Menials working at the Railway Goods Shed, I have the honour to state that the Assistant Director of Food Supplies, Depots, reports in his letter No.A.D.A3-8750/45-46, dated 11-6-1946 (copy enclosed) that as large consignments are being received at the Railway Goods Shed, to the number of over 30 Wagons on some days, the staff will have to be working at the Railway siding practically throughout the day. He recommends that such persons as are employed for over 10 hours, a daily allowance of as.8/- or Re.1/- may be paid as for the staff of the Transport Section under G.O.S.D.2865-67/A5-45-6, dated 10-11-1945.

2. The Auditor and Accounting Officer, who was consulted in the matter has opined that Government sanction may be obtained to grant allowances under the conditions mentioned in G.O. dated 10-11-1945 to the staff of Assistant Director of Food Supplies, Depots, and also transport section staff, who have to do overtime work to clear large receipts of wagons at present and in future.

3. I request sanction of Government to the proposal to pay the said allowances.

pto.

to pay the said allowances.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

NS/3.

Letter No.A.D.A3.8750/45-46, dated 11th June 1946, from the Assistant Director of Food Supplies, Depots, Bangalore, to the Director of Food Supplies in Mysore, Bangalore.

---

I write to bring to your kind notice that since 9th May 1946, huge consignments of food stuffs are being received. These include potatoes cases, Milk tins, rice, wheat and wheat flour. A good number of waggons at an average rate of 32 to 33 waggons per day, have been received at the Railway Goods Shed. The staff employed at the Goods Shed have to over work and particularly on the days when heavy consignments are received they have to work from morning 8 till late in the night at a stretch, without even going for meals. In case such strenuous work is not done, the waggons can not be cleared and heavy demmurrage charges have to be paid according to the Railway Priorities arrangements.

2. I am personally supervising the Transport work and I find that heavy pilferages will occur if sufficient number of men are not posted for supervision over the coolies. The menial staff also will have to be working throughout, whenever there are such heavy congestions.

3. In this connection, I may invite your kind reference to G.O.No.SD.2865-67/A5-45-6, dated 10th November 1945, sanctioning the payment of an overtime allowance of rupee one per day to Transport Assistant Food Inspectors and Bill Clerks and annas eight to menials in connection with the receipt of C.P.Rice.

4. As the consignments now received are still huge in number, I have permitted the payment of an overtime allowance at the rate of annas eight per day uniformly to those who have worked during the days of heavy congestion in anticipation of your kind approval. Further, whenever such huge consignments are received and the staff have to work continuously for more than 10 hours, such overtime allowance will be paid to the staff as refreshing charges.

5. This allowance is paid only to those who actually work in the Goods Shed during such times.

6. I request your kind orders for the payment of this amount.

of this amount. An advance of Rs.1,000/- may be kindly ordered to be paid to meet these charges and also for the purchase of locks etc., for the newly ~~xxxxxx~~ opened Godowns.

With kind regards.
